Canyon Springs High School & Leadership and Law Preparatory Academy Abstract 2004-05

Canyon Springs High School & the Leadership and Law Preparatory Academy serves a diverse student population and opened doors for the first time this school year. It is anticipated that a high percentage will qualify for the Free and Reduced Lunch Program.

Two hundred GEAR UP scholars will be coming to the CSHS campus this year. The GEAR UP program at Canyon Springs High School will focus on academic achievement, college preparation, career awareness, and parental involvement. After-school homework assistance and credit retrieval classes for failing students will be provided.

Career awareness and college preparation will be provided through college visits to each of the Nevada campuses. A Career Resource Center will access college-related information and assist students with practice college placement exams. A series of parent nights will be planned, and parental involvement will be encouraged on campus.
